Respected Sir,

The petitioner, above named, most respectfully begs to state as follows:-

(1). That the petitioner is the jodidar of Gonamakanahalli and Gangadoddi villages in Dasarahosahalli Hobli, Bowringpet Taluk.

(2) That the jodi villages, referred to above, are comprised within the Sanitary Board area of the Kolar Gold Fields.

(3) That the petitioner has been in peaceful enjoyment of his rights to the mohatharfa and license fees leviable from owners of various kinds of shops, within the limits of his jodi villages, in the area of the Sanitary Board

(4) That the sanitation of the jodi limits in the said Sanitary Board area is being attended to by the petitioner's own staff without any room for any reasonable criticisms for over thirty years till now.

20

(5) That the petitioner's rights to manage sanitation of his jodi limits and recover the license fees from the occupiers of shops within the said limits have been duly recognized, on a reference to the Government so far back as 1902, the Government then indicating to the Sanitary Board the said rights of the petitioner (vide Government proceedings No. 19000/LF 17-99 dated the 9th June 1902). vide Flag A

(3) copies filed in regd

(6) That in spite of the above facts the petitioner has been given to understand from some of the shop owners within the jodi limits that they have been compelled by the present Vice-President of the Sanitary Boafd to pay up the license fees to the Sanitary Board, on the penalty of their not being granted licenses if the said shop keepers should fail to deposit the license fees as directed by him.

(7) That several of the shop keepers have paid the license fees to the Sanitary Board according to the directions of the Vice-President and have obtained licenses.

(8) That the said orders of the Vice-President of the Sanitary Board amply prove the unjust use of the powers of the said Board to the obvious prejudice of the petitioner's fiscal interests contrary to the intentions of the benign and benevolent Government towards the petitioner when the Board was formed.

(9) That the petitioner has been spending large sums of money on the sanitation of the jodi village limits and it is needless to submit that the direct and indirect compulsion of the petitioner's tenants, on the part of the Vice-President, to pay up the license fees to the Sanitary Boafd, contrary to the orders of the Government, referred to above, unjustifiably cripples the finances of the petitioner.

21

(10) That the petitioner submitted a petition to the Deputy Commissioner, Kolar District, and the President of the Sanitary Board, Kolar Gold Fields, on or about the 14th July 1928 regarding the same matter and the petitioner has not been favoured with any reply as yet.

(11) That under the above circumstances the petitioner is driven to the painful necessity of submitting the above facts to the kind notice of the Government for the immediate passing such orders as may be necessary to protect the interests of the petitioner.

(12) That the petitioner most respectfully prays that the benign Government may be pleased to institute immediate enquiries and render justice. The petitioner further prays that pending disposal of the this petition any further recovery of the license fees by the Sanitary Board from the shop owners of the jodi limits may kindly be ordered to be stayed and the Sanitary Board may be directed to issue licenses to the said shop-owners on their payment of the license fees to the petitioner as usual with a further direction that the license fees already recovered by the Sanitary Board from the said shop owners may be refunded to the petitioner especially as the petitioner has to disburse wages to the sanitary staff maintained by him.

His Highness the Maharaja of Mysore.

With reference to your letter No.L.1964/V.P.16-28-2 dated 3rd [illegible]ember, 1928 calling for a report on the petition of Mr. C. Krishn[illegible] Jodidar of Gonamakanahalli and Ganeddoddi villages about the [illegible] of license fees by the Sanitary Board in the [illegible] subsequent reminder No. [illegible]/V.P. [illegible]er 1929 [illegible] the subject [illegible] as follows:-

1. The Government in their order No. 19000/I.F.17-1899 dated 9th June 1902, authorized the Jodidar to issue licenses (sic) [illegible] the jodidar and countersigned [illegible] Officer of the Board) and directed that the Jodidar should levy the prescribed fees for these licenses and carry under each to the effect that a fee not less than the prescribed rate and no more levied by him and trusted that, by that arrangement, overcrowding might be prevented. This permission was in consideration of the fact that the cost of sanitation of these two villages was borne by the jodidar. Since then, the jodidar has been maintaining the sanitary staff and recovering license fees in accordance with the said Government Order.

2. There were occasionally instances of inadequate sanitary arrangements by the jodidar and in the year 1928, when plague broke out in the jodi limits of Andersonpet, an expenditure of Rs.65/- was incurred for evacuation, camping and disinfecting purposes. The

jodidar: when asked to pay this amount expended, did not pay it on the plea that he was not liable to pay such charges.

3. Thereupon the Medical Officer of Health suggested that the question of principle viz; as to who was to be held responsible for the proper sanitation, and control of epidemics and charges connected with such work - had to be once for all settled as there might be several such happenings in future.

4. By this time, the Government in their Notification No.L. 5026/L.B.26-26-164 dated 28th February 1928 abolished Mohatarfa throughout the State including Inam villages and jaghirs. The principle accepted in that Notification is that jodidars are not entitled to continue to levy Mohatarfa in their villages after it had been abolished by Government as a tax. Much less are jodidars entitled to other taxes or license fees, leviable under special Laws

5. On a reference made from this Office. with No.C.71/27-28 dated 25th July 1928, the Government have in letter No.L.1958/L.B. 74-28-2 dated 12th September 1929 directed that under the Government Order No.L.1248-51/V.P.27-27-16 dated the 15th August 1929, the taxes on houses etc. in all the villages in the Board area including Jodi villages should be collected by the Village Panchayets themselves and the same credited to their funds.

6. The question of the relationship between the Village Panchayets and the Sanitary Board, as regards the responsibility for sanitary administration, has been since settled in Government Order dated 15th August 1929 cited above and full control in regard to sanitation in the villages in the Sanitary Board has been vested in the Sanitary Board, even to the exclusion of the statutory Panchayets In such circumstances, it is not at all expedient to continue any longer the arrangement sanctioned in the Government Order of 9th June 1902, as it involves entrusting, in the Sanitary Board area to a private individual, a power which has been withdrawn, after considerable discussion, even from statutory bodies like the Village Panchayets. License fees are levied under the Mysore Mines Regulation and the Jodidar cannot possibly have any inherent claims to them. The

Jodidar has also no claim to the Mohatarfas of the Jodi villages so the advent of the Village Panchayet Regulation he was entitled only to ground rent as proprietor of th realised in the said jodi villages from 28th June 1928 amounted to Rs.500/- up to end of the 20th December 1929 and the said amount less Rs.45-2-0 paid for plague disinfection charges of 1928 has been kept in deposit account of the K.G.F. Sanitary Board.

7. The whole subject was placed before the Sanitary Board at their meeting held on 20th December 1929 and the copy of their resolution is submitted herewith.

8. I request you, in these circumstances, to be so good as to obtain the sanction of Government to the Board's resolution

(a) to consider that the order of the 9th June 1900 authorizing the Jodidar to levy license fees ceased to operate with effect from 28th February 1928 and to authorize the Board to take over direct charge of the Sanitary administration of the area

and (b) to order that the Jodidar's accounts may be scrutinized on the above basis and he be allowed out of his actual total collections only ground rent to which he is entitled as the proprietor of the land as also the expenditure he had incurred since 28th February 1928 on the sanitation staff employed by him in the area from 28th February 1928 to 20th December 1929

9. In view of the fact that Andersonpet is enjoying substantially the same amenities as Robertsonpet in the matter of light water market facilities etc and as a measure of improving further the sanitary administration of the areas immediately adjoining the mines, the Board have also resolved that Andersonpet (including the Government and jodi area) be specifically excepted from the operation of the Village Panchayet Regulation and brought under the full direct administration of the Sanitary Board, as in the case of Robertsonpet, with similar rates of taxation sanctioned in G.O.No.557-9/L.B.377-04-2 dated 12th July 1905 and G.O.No.2259-60/L. B.126-25-4 dated 23rd September 1926.

10. I request that sanction of the Government may kindly be obtained to this resolution also

from the Proceedings of the Third Ordinary Meeting of the K.G.F. Sanitary Board, held on Firday the 20th December 1929.

24. Petition of Mr. C. Krishna Char Jodidar to Government re the levy of license fees by the Sanitary Board, on shops in the Jodi area

Resolution:- A. In view of the fact that Government in their Order No.L.1248-31/V.P.23-27-16, dated 15th August 1929, have directed among other things, that "full control in regard to sanitation in the villages in the Village Panchayat area will vest in the Sanitary Board", the Board are of opinion

(i) that the Government be moved to declare that the order of 9th June 1902, authorising the Jodidar to levy license fees (not less than those prescribed in the Sanitary Board Bye-laws) for shops in Andersonpet area on the ground that he had undertaken to look after the sanitation of the area, be considered as having ceased to operate with effect from 28th February 1928, and that the Board may be authorised to take over direct charge of the sanitary administration of the area

& (ii) that the Jodidar's Accounts may be scrutinised on the above basis and he be allowed out of his actual total collections, only ground rent to which he is entitled as the proprietor of the land, as also the expenditure he had incurred since 28th February 1928, on the sanitation staff employed by him in the area

B. Having regard to the circumstances that Andersonpet is enjoying substantially the same amenities as Robertsonpet, in the matter of light, water, market facilities, etc., and is growing in importance; the Board would go a step further and recommend that Andersonpet (including the Government and the Jodi area) be specifically excepted from the operation of the Village Panchayet Regulation and be brought under the full direct administration of the Sanitary Board, as in the case of Robertsonpet with similar rates of taxation.

Dear Mr. Someswara Iyer

With reference to your D.O. letter No: L.8265 dated 13th May 1930, enquiring whether the Jodidar of Gonamakanahalli was levying Mohatarfa on shops in his village before 1902 etc., I write to state that on enquiry, I learn that no shop tax was being levied and recovered by the Jodidar either before 1902 or thereafter up to 1927. But he was levying ground rent for the land on which shops were built. He was levying this ground rent (not shop tax) in addition to the License fees at the rates sanctioned in Government Order No.6449 L.B.151-13-4 dated 19th February 1915, a copy of which is enclosed for reference.

The sanctioned rate mentioned above is common to both the Sanitary Board and to the Jodidar.

Correspondence ending with letter No.C.32 dated the 17th February 1930, from the President, Sanitary Board, K.G.F., reporting on the petition of Mr. C.Krishna Char, Jodidar of Gonamakanahalli and Gangadoddi villages, complaining of the interferance by the Board in his right to levy ~~xxxx~~ license fees from shop keeper within the limits of his jodi villages, in the area under the control of the Board

Order No. A. 783-4 dt 21-7-30

On a petition dated 1st April 1901, addressed to the Deputy Commissioner, Kolar District, by ~~the~~ Jodidar Vedavyasachar of Gangadoddi, the Government in their order No.19000 L.F. 17-99 dated the 9th June 1902, directed that the jodidar ~~may~~ might be allowed to issue licenses for opening shops in the jodi villages and to levy fees for such licenses at rates not those prescribed for adoption by the Sanitary Board. This order was passed mainly in consideration of the fact that the cost of sanitation of the villages was being borne by the jodidar. The petitioner now complains that his right to levy license fees has been interfered with by the Vice President of the Sanitary Board, levying the fees from some of the shop owners in the limits of his jodi villages.
